

Do You Want to
Grow a Plant ?

And Have It Offered
to the Church?

Or for Decorating
Your Home?

You are invited to join the:

Church Planting Project

a collaborative project between St. Vincent's Church
and the Catholic Messengers of Green Consciousness

Objectives of the Project:

1. to understand the importance of the organic waste cycle
2. to learn the impact of organic farming methods on humans and the environment
3. to deepen our appreciation of God's Creation
4. to learn how to grow healthy food that we can share with others

Talks/Workshops Conducted by a Bilingual (Cantonese and English) Full-time Farmer

Date and time: 25/5/2014 and 1/6/2014: Noon to 2 pm

Venue: Church Hall, St. Vincent's Church
